

THE SECRET TO THE BEST DAY SPA IN LONDON REVEALED...

When you walk into Ethos The Spa you will be greeted by our friendly and professional front desk coordinator. She will make you feel welcomed and comfortable, no attitude and no unnecessary questions. She will offer you one of our specialty beverages like a frothy cappuccino, a yummy cafe latte or an exotic Chai latte. Perhaps you might prefer a glass of one of our specialty juices or maybe a glass of Chardonnay or full body Merlot.

THIS IS ONLY A SMALL TASTE OF WHAT AWAITS YOU AT ETHOS THE SPA.

Once you are immersed into Ethos' atmosphere, your therapist will come in and introduce herself. She will accompany you to one of our uniquely decorated treatment rooms for a one-to-one consultation. She will ask you all the right questions, address your concerns, and she will give you lots of FREE but personalized advice regarding your unique issues. Then she will proceed to pamper you with our specialized treatments. All of our beauty therapists are certified and abide by all Municipal and Provincial regulations; our sanitation procedures are one of the highest in the industry. After all we've been doing this for 10 years.

THAT SPECIAL TOUCH MAKES ALL THE DIFFERENCE...

Only after all your senses have luxuriated in the unique Ethos experience, will you know the secret to the best day spa in London. Then you will have a decision to make. Will you keep the secret for yourself, or do you dare to share it?
